

Our mission is to walk alongside Pastors mentoring and coaching them to develop a healthy Church that equips its members to love God and love their neighbor. (Ephesians 4:12 "Equipping God's people for works of service for the building up of the kingdom of Christ...")

Pastor William Sanchez and family

A Vision that brings hope to Hato Mayor

Partnering with the local church to meet a need in its community!

If you are interested in coming on a Missions Trip with LoveServes:
Contact Peter Swanson for more info:
peter@loveserves.org or 941-376-0799.

September 29 – October 6 2018 Hato Mayor, Santiago

Background: Pastor William Sanchez entered LoveServes program in 2012. He had tried fruitlessly for years to connect his church with the community. With the vision awakened to serving the community, they started with a ministry of English classes for 100 young people of the community. They have started many ministries to meet the needs. Such as caring for the sick and elderly by providing meals, cleaning their homes, binding their wounds, and taking them to the doctor. They also are repairing the homes of the poorest neighbors.

The Vision: Pastor William's vision is to transform their community by the power of Jesus's love. One of the greatest needs are reaching the children and teens. Pastor William has been equipping the people in his church to use their gifts and passions to reach every person in Hato Mayor. They started an AWANA ministry which has grown to over 500 children!

The Need: They are using the church building all week under a leaky roof when it rains and scorching hot temperatures when it's not. They need to replace the roof, insulate it and build mobile room dividers in order to meet the need of this growing ministry.

Where YOU come in: LoveServes is partnering with this church to help replace the roof, build dividers and also rebuild some homes of the poorest neighbors. This flourishing church has many ministries that you will have a part in: *Children and teen outreach, Women's ministry crafts; Home visitation and others.* Don't worry if construction is not your forte!

FAMILY FRIENDLY: Our trips are family friendly, with plenty of things kids can be a part of. Parents and their kids are encouraged to work, serve, play and pray together on this extraordinary family trip! So get your passports and plan on joining us this summer!

Trip cost: \$850 (plus airfare and project costs)
