**Background:** Pastor Natanael Diaz went thru LoveServes coaching process ten 10 years ago. At that time he was struggling to run church services with just 15 people. LoveServes began coaching Pastor Natanael in a new Vision. He began to equip the members of his church to use the gifts and skills they have to love the least of these in their community. His life, his family and church made a complete 180 degree turn. His church is the KEY agent of change that God is using to reach the lost in that region.

**The Vision:** Pastor Natanael's vision is to transform their community by the power of Jesus's love.

**The Need:** One of the greatest needs is to repair their Cinder Block Church building to meet the many ministry needs to the children and teens of Paya, Baní. The project includes a church, school and rooms for other ministries, such as single mothers, rescuing teenagers from violence, health care, family counseling, couples and preschool.

A Vision that brings hope to Paya, Baní

**Where YOU come in:** We need for team members to join this 8-day trip to come and serve alongside our DR brothers and sisters in this vibrant and growing ministry. Come be a part of what God is doing in Paya, Baní. Please consider contributing to purchase construction materials or medical supplies. This flourishing church has many ministries that you will have a part in: Children and teen outreach, Women's ministry crafts; Home visitation and others. **We will also do Medical Missions in this community.**

**FAMILY FRIENDLY:** Our trips are family friendly, with plenty of things kids can be a part of. Parents and their kids are encouraged to work, serve, play and pray together on this extraordinary family trip! So get your passports and plan on joining us this summer!
